OFFICE OF LEGISLATIVE COUNSEL

Friday - 24 February 1961

25X1 1. [] The Director's office advised that the Director plans to meet with Senator Robert S. Kerr (D., Okla.) and Mr. James Webb, Administrator of NASA, on 2 March 1961 at 2:30 p.m. to brief them on the Soviet space program.

25X1 2. [] Miss Oberg in the office of Representative Dante B. Fascell (D., Fla.) called on the letter from Fascell to the Director dated 14 January 1961 regarding [] I explained to her that I had discussed this matter with the Congressman and it was agreed the Congressman would take no further action and no written response was necessary. Miss Oberg was satisfied since she was doing a routine follow up.

25X1 25X1 3. [] [] WH Division, telephoned to advise of a certain matter involving the Fair Play for Cuba Committee in which Senator Joseph S. Clark (D., Pa.) had been in correspondence with Gates Lloyd.

25X1 25X1 4. [] [] OSI, telephoned to advise that [] had left with OSI a transcript of the [] Conference. Prior to receiving this transcript [] had been queried by Senator Eastland for various papers on the Conference and had furnished the Senator with what he then had. Now the [] have requested a copy of the transcript and [] was concerned that since [] were participants, that it might be appropriate to alert them to the above.

25X1 25X1 5. [] [] telephoned to advise that Commerce has been queried by Senator Dodd on the matter of export licenses for ball bearings. [] serves as intelligence advisor to the inter-agency group which has considered this subject. There seems to be no reason at this point why the Agency should approach Dodd directly since this is primarily a policy matter involving Commerce.
